

Dear Perspective New Member,

Thank you for inquiring about membership in our League. We are a small but dynamic organization with a healthy agenda. Our monthly meetings frequently combine business with interesting speakers and events. We are always looking for individuals with energy and ideas and a focus on civic engagement. The League hosts films and discussions, local candidates' forums, and devotes time to voter registration and voter education.

Annual membership in our League is \$60.00. Of this amount, \$51.00 goes to pay for the State and National League dues and just \$9.00 goes to our local League.

We are a not for profit organization, however we must do some fundraising every year to cover our expenses.
